

The Stardome: Inflatable Planetarium

A Visual Guide

The Stardome is an **inflatable planetarium**. Think of it as a mix between a blow up tent and cinema!

Entry is through this tunnel.
Wheelchair access possible.

A typical show lasts
25 - 30 minutes.

If you need to leave, you can
do so at any time.

You will be **seated, on the floor**, throughout the show.

A **pillow** or **seat pad** will
make it more comfortable!

Shows are **fully narrated**.

We ask visitors to **keep noise to a minimum** to enhance the experience for all.
